

Bears on Patrol

The Kansas City Paralegal Association is collecting teddy bears for Bears on Patrol for the **Kansas City Missouri Police Department**.

There will be a collection box at all of our regular luncheons.

Feel free to drop off a *NEW Teddy Bear*.

Providing Stuffed Animals to Comfort Children Exposed to Traumatic Situations

Here are some tips:

- No voice boxes (battery operated), we want the stuffed animals to be cuddly, not stiff.
- The perfect size bear is 6-18 inches.
- Please remove any seasonal trimmings from holiday themed stuffed animals (Santa Hats, Valentine Hearts, etc.).

The Kansas City Paralegal Association provides opportunities for networking among paralegals on the local, state, and national levels, and offers quality continuing education. Our mission is to promote, enhance, and encourage the development of the paralegal profession. For more information, visit our website at www.kcparalegals.org.
